

### LNS 6-Year Curriculum Adoption Cycle

To adequately support student learning, Lummi Nation School has adopted a five-year cycle of curriculum review, with program adoption during the sixth year. This format ensures that programs have the opportunity to operate with fidelity and accurately portray student growth potential. If warranted, a program can be reviewed on an earlier cycle at the discretion of Lummi Nation School Administration or the Lummi Education Board.

<b>Date Program Due for Review</b>	<b>Date Program Adopted</b>	<b>New Curriculum</b>	<b>Grade (s) and Subject</b>
2026-2027	2021-22	National Geographic: Edge	9-12 ELA
